

CHERRY STONE® TRACTION GRIT

100% Natural Quartzite Grit for Winter Traction

1. PRODUCT NAME

Cherry Stone® Traction Grit

2. MANUFACTURER

Bluestone Products™, a TCC Materials® company
2025 Centre Pointe Blvd.
Mendota Heights, MN 55120 USA
Phone: 1.651.688.9116
Web: tccmaterials.com

3. PRODUCT DESCRIPTION

Cherry Stone® Traction Grit is a fine, sharp, crushed rock which offers natural relief from the icy conditions of winter. Unlike salt, our 100% natural quartzite pebbles give you immediate traction on icy walks, steps, and driveways without hastening the deterioration of concrete surfaces. Cherry Stone grit will not dissolve or become muddy like softer limestone grits and is non-polluting and non-staining. Simply sweep up in the spring. Also keep in your vehicle to use for both additional winter weight and emergency traction. Cherry Stone grit is also used for hobby crafts, aquariums, and flower pot drainage.

Features and Benefits

- Immediate results (no waiting)
- Won't dissolve or become muddy
- Will not hasten deterioration of concrete
- Hard, sharp, crushed aggregate
- Non-polluting & non-staining
- Environmentally safe
- Aesthetic appearance

When/Where to Use

- Interior/exterior locations
- Traction on steps, walks, and driveways
- Emergency vehicle traction & weight
- Paver/flagstone joint fill
- Stabilizing earthen walks & paths
- Decorative purposes
- Flower pot drainage
- Hobby crafts

4. TECHNICAL DATA

Available Sizes

- 10 lb. (4.5 kg) pail (BOM #129580)
- 25 lb. (11.3 kg) bag (BOM #105248)
- 25 lb. (11.3 kg) pail (BOM #129590)
- 50 lb. (22.6 kg) pail (BOM #129880)

Coverage

Varies with different uses.

5. INSTALLATION

Application

Apply as-needed to walks, steps, or other snow-covered or icy pedestrian areas. For emergency vehicle traction, place several handfuls under wheels. Full bags can also be used as additional trunk weight for more positive traction during winter months. For all other purposes, use as directed.

Clean Up

Used product may be easily swept up in the spring when snow has melted.

Safety

READ THE SAFETY DATA SHEET (SDS) BEFORE USING THIS PRODUCT. SDS information is available on our website: tccmaterials.com

Cautions

Read complete cautionary information printed on product container prior to use.

This Product Data Sheet has been prepared in good faith on the basis of information available at the time of publication. It is intended to provide users with information about and guidelines for the proper use and application of the covered Akona brand product(s) under normal environmental and working conditions. Because each project is different, TCC Materials cannot be responsible for the consequences of variations in such conditions, or for unforeseen conditions.

7. WARRANTY

Seller warrants that its product will conform to and perform in accordance with the product specifications. The foregoing warranty is in lieu of all other warranties, expressed or implied, including, but not limited to those concerning merchantability and fitness for a particular purpose. Because of the difficulty in ascertaining and measuring damages hereunder, it is agreed that Seller's liability to the Buyer shall not exceed the total amount billed and billable to the Buyer for the product hereunder.
